<input type="checkbox"/> Process evaluation
<input type="checkbox"/> Outcome evaluation
Target group(s):
University members
Topic or discipline:
linter-faculty (economics, politics, ...)

Short Description
Conferences, debates, festivals organised by UCL faculties and students for UCL members who would like to get a better understanding of the migration and refugee phenomena. In 2016, 6 events organised.
Why is this an interesting case? Is there any formal recognition of this case as a good practice? Why do you think this sample should be taken into consideration?
good example of sensitisation and mobilisation
